Govt regret to observe that there has been a regrettable delay in replying to a reference made by Govt so far back as 3rd November 1892. Such delay does discredit to the Municipal administration of the Distt. ~~Such delay does not speak well of the administration of the Distt.~~ It is hoped that Govt will in future be spared this

making similar remarks in regard to delay.

2. The explanation given for no meetings having been held in the marginally noted Municipalities during the months specified against their names, viz that Amildars were engaged on criminal work or other duties, is very unsatisfactory. No such excuse will be accepted in the future and ~~that~~ the Amildars should be warned to hold Municipal meetings month after month regularly.

(3) The absence of the Amildar on leave is stated to be the reason for no meeting having been held at Nanjangud during the month of ~~August~~ August December 1892 If the Amildar was on leave, the official appointed to do duties during his absence ought to have convened held the

meeting.

(4) The non-attendance of sufficient number of members is stated to account for the absence of meetings in Chayang and Seung-o-pectam during the months of December 1892 and February 1893 respectively. By passing orders on this point, Govt wish to know how many members attended on the day fixed for meeting in each of the two municipalities and what constitutes a quorum in these and other municipalities in the District including the French Rocks Sub Division

(5) The statements of meetings for May, June, July and August 1893, which are already over due have not yet been received. The attention of the Dy Com is again drawn to Govt Proceedings dated

& to Proceedgs dated 10 December 1892 ens 2

that statements of meetings are regularly submitted, not later than the 20th of the month following the, to which they relate.

Adverting to para 4, of Government Proceedings No 7223/109-93, dated 31st October 1893, I have the honor to State, that it is reported, that 2 members (1 Ex officio, and the other nominated) attended the municipal meeting at Nanjangode, during December, 1892, and that 5 members attended the meeting of the Seringapatam Municipality in February, 1893. The quorum at nanjangode is reported to be 3, and at Seringapatam half the total number of members

2 As regards the number of members constituting a quorum in the remaining municipalities, the enquiry instituted shews that 3 members in Heggadedevankote, Sargur Chamrajnagar, and Gundlupet, 2 in Mandya Madder and Malavally, and half the

number of members in French Docks and a Mailhobe are held to form a quorum. In the remaining Municipalities, no quorum is reported to have been fixed.

3. The delay in replying to the Proceedings above quoted, is due to the non receipt, from the Sub Division officers, of information as regards the French Docks Sub Division Municipalities. The information now submitted in regard to them was obtained direct from the Vice Presidents.
